

The logo for CAiSE '17 features the text 'CAiSE '17' in a bold, red, sans-serif font. The letter 'i' in 'CAiSE' is lowercase and has a small blue cube icon above it. The background of the top section is a panoramic view of a city skyline under a blue sky with light clouds.

29th International Conference on Advanced Information Systems Engineering
12-16 June 2017, Essen, Germany

CAiSE '17 Forum

CALL FOR PAPERS AND TOOL DEMONSTRATIONS

The **CAiSE Forum** is a place within the CAiSE conference for presenting and discussing new ideas and tools related to information systems engineering. Intended to serve as an interactive platform, the Forum aims at the presentation of **emerging new topics** and controversial positions, as well as **demonstration** of innovative systems, tools and applications. The Forum sessions at the CAiSE conference will facilitate the interaction, discussion, and exchange of ideas among presenters and participants.

Contributions to CAiSE'17 Forum are welcome to address any of the CAiSE'17 conference topics and in particular the theme of this year *Digital Connected World – Informed, Disruptive Business Transformation*.

Important Dates

Paper submission deadline:	20.03.2017
Notification of acceptance:	25.04.2017
Camera ready of all papers:	10.05.2017

Author Guidelines

We invite two types of submissions:

- **Visionary papers** present innovative research projects, which are still at a relatively early stage and do not necessarily include a full-scale validation. Visionary papers will be presented as posters in the Forum.
- **Demo papers** describe innovative tools and prototypes that implement the results of research efforts. The tools and prototypes will be presented as demos in the Forum.

The Forum papers are short papers that must not exceed 8 pages in LNCS format (see <http://www.springer.de/comp/lncs/authors.html>). They should be submitted in PDF format through the conference management system available at: <https://easychair.org/conferences/?conf=caise17forum>.

The submitted papers must be unpublished and must not be under review elsewhere.

Publication and presentations

Accepted papers will be published online in **CEUR Proceedings**.

It is expected that at least one of the authors attends CAiSE'17 and presents the paper either as poster (for visionary papers) or demo (for demo papers). The presentation in both cases will include the participation at the CAiSE'17 forum paper discussion between the authors and CAiSE'17 participants.

Forum Chairs

Xavier Franch – Universitat Politecnica de Catalunya, Spain

Jolita Ralyté – University of Geneva, Switzerland
